Dear Resident

As your local Liberal Democrat FOCUS team, unlike the other parties we believe in keeping “in touch” with local people in our area with **Chessington, Hook, Surbiton and Tolworth** matters all through the year, not just at election time. That’s why we carry out these regular local street surveys. You can help us to work in our area by completing this survey and returning to the address on the back of this form. It will only take a few moments to fill in and then send back to us. But your views really do matter.

Thank you for your help.
